Step 5: Income distributions

I/We direct the Service Operator to manage any income distributions that I/we receive from my/our investment option(s) as follows:

Re-invest (default option)

Re-invest 100% of the income distributions back into the same managed investment that made the income distribution. This is the default option, which means it will apply automatically even if a selection is not made.

Leave all income distributions to accumulate in my/our Cash Account.

Income distributions are to be invested in accordance with my/our Distribution Instruction. Please complete Step 2(d) Distribution Instruction.

Step 6: Cash Account top-up

We will top up your Cash Account balance by redeeming the necessary amount from your managed investments (without prior notice to you) in accordance with the option you have selected below:

Step 8: Investor/Applicant declaration and signature

In signing this Investment Instructions form, I/we declare that:

Investment Instructions²

- The Service Operator, IOOF Investment Services Ltd ABN 80 007 350 405, AFSL 230703 is directed to process the Investment Instructions specified on this form.
- The Investment Instructions provided in this form override any previous Investment Instructions.
- My/Our main Investment Instruction will be my/our Primary Instruction and will be used for my/our initial deposit and all additional deposits (less any Investor Advice Fee – Upfront) and income distributions (if applicable), unless I/we provide the Service Operator with alternate instructions. I/We understand that this does not apply to the transfer of investments from any existing account within the IOOF Pursuit or IOOF Portfolio Service product suite.
- If I/we have omitted to insert an amount against the Cash Account in my/our Investment Instruction, I/we authorise the Service Operator to deduct the amount necessary from the investment option with the highest percentage allocation to satisfy the required minimum allocation to the Cash Account.
- If there are two or more investment options that share the highest percentage allocation, I/we authorise the Service Operator to deduct the amount necessary from the first of such investment options that share the highest percentage allocation and that is listed in the table to satisfy the default minimum allocation to the Cash Account.

Product disclosure statement(s) for managed investment options

- I/We have received (either from the IOOF website or from a financial adviser), read and understood the current product disclosure statement(s) of the underlying managed investments I/we have selected.
- The Service Operator provided me/us with the product disclosure statement(s) for the underlying managed investments I/we have selected via the IOOF website and I/we agree to receive these product disclosure statement(s) by obtaining them from the website.
- I/we may not have the most current product disclosure statement(s) and continuous disclosure information for a managed investment when switches and/or further investments are made into the investment.

Investment options

- If I/we have acquired the services of a licensed financial adviser concerning my/our choice of investment options, I/we have been fully informed of the nature and risks of the selected investment options and am/are satisfied these investments are suitable for my/our investment needs
- If I/we choose not to acquire the services of a financial adviser, I/we understand the risks and effects of this investment and take full responsibility for my/our choice of investment options.
- I/We acknowledge that certain investment options are only available if I/we am/are a client of a particular financial adviser or AFS Licensee, and if I/we cease to be a client of that financial adviser or AFS Licensee, I/we will not be able to make any new investments into those exclusive investment options (see the notes to the Investment Options Menu in the IOOF Pursuit Select investment guide (PSI.01) for information on these exclusive investment options).

Investments with extended redemption periods

- I/we acknowledge that if I/we make an investment in an investment option that is designated as an investment option with an extended redemption period (in the investment menu as updated on my/our website), I/we have been informed that:
 - the Service Operator is not required to transfer the whole of my/our withdrawal amount (or a partial amount requested to be transferred) until after receiving all that is necessary to process my/our request
 - the reasons why an investment is illiquid is due to the underlying fund manager imposing withdrawal restrictions or having the ability to extend the withdrawal period in certain market conditions
 - the maximum period in which a transfer must be effected is the period set out in the underlying product disclosure statement which may be up to 365 days for some investment options with an extended redemption period.
- I/we understand and accept the conditions as outlined above when investing in an investment option with an extended redemption period because of the illiquid nature of the investment.

² Investment Instruction refers to your Primary Instruction, Re-weight Instruction, Specific Instruction and/or Regular Contribution Plan and BPAY[®] Instruction as applicable.

Switch Instruction

- If I/we have given the Service Operator a Switch Instruction, it:
 - must satisfy the minimum requirements as set out in the relevant Offer Document
 - cannot be finalised until proceeds from all redeemed investment options have been deposited into my/our Cash Account
 - will normally be finalised within ten business days following the receipt of my/our switch request
 - may give rise to a buy/sell spread or capital gains tax.

- I/we have read, understood and agree to the terms and conditions regarding investing in term deposits as set out in the Offer Document
- the Service Operator provided me/us with the product guide for the underlying term deposit I/we have selected via the IOOF website and I/we agree to receive the product guide by obtaining it from the website
- I/we have received (either from the IOOF website or from a financial adviser), read and understood the current product guide and any supplementary product guide for the relevant product or service, and the current product guide statements of the underlying term deposit I/we have selected
- I/we acknowledge that where this Investment Instruction for a term deposit is made at the same time as a new application for an IOOF product or service, this Investment Instruction will be processed before any other Investment Instruction relating to my/our new account is processed.
