## Notes on Easy Choice, Premier Investor Choice and Investor Choice investment options

Details of the buy/sell spread (or how to obtain the current buy/sell spread) applicable to each investment option are outlined in the product disclosure statement issued by the investment manager for the particular managed fund, which are available on our website ([www.ioof.com.au](http://www.ioof.com.au)).

- 1 To invest in these investment options through Pursuit Select you must be a client of Infocus Securities Australia Pty Ltd, ABN 47 097 797 049, AFS Licence No. 236523 (Infocus). As a client of Infocus you are able to select these investment options as long as your financial adviser is an authorised representative of Infocus.
- 2 Investment options identified are exclusively for clients of Professional Investment Services Pty Ltd, ABN 11 074 608 558, AFS Licence No. 234951 (PIS) and for clients of any AFS Licensee who has entered into an arrangement with Associated Advisory Practices Ltd, ABN 24 118 000 150 (AAP). You are able to select these investment options as long as your financial adviser is an authorised representative of PIS or whilst you remain a client of any AFS Licensee who has entered into an arrangement with AAP.
- 3 To invest in these investment options through Pursuit Select you must be a client of Finovia Pty Ltd, ABN 31 007 353 068, AFSL No. 230662 (Finovia). As a client of Finovia you are able to select these investment options as long as your financial adviser is an authorised representative of Finovia.
- 4 To invest in these investment options through Pursuit Select you must be a client of Bendigo Financial Planning Ltd, ABN 81 087 585 073, AFSL No. 237898 (Bendigo). As a client of Bendigo you are able to select these investment options as long as your financial adviser is an authorised representative of Bendigo.
- 5 This managed fund is entitled to charge a performance-based fee. Please refer to the product disclosure statement for the particular managed fund for details.
- 6 This managed fund may be subject to a performance-based fee. Please refer to the product disclosure statement for the particular managed fund for details.
- 7 This investment option is classified as a 'restricted investment'. You are able to invest up to 70 per cent of your account balance in restricted investments and no more than 30 per cent of your account balance in any restricted investment(s) within the same sub-category of an investment category.

The investment management costs do not include administration fees charged by IIML or fees charged by your financial adviser. The figures stated in the table above are estimates only and were based on the investment management costs quoted in the product disclosure statement for the particular managed fund.

- 8 The investment management costs quoted are based on the gross assets of the fund, which include the fund's borrowings.
- 9 The investment management costs quoted are based on the gross assets of the funds, which include the funds' borrowings.
- 10 The investment management costs are calculated on the gross asset value of the fund. If the average gearing level is 50 per cent, the investment management cost will be 2.340 per cent of net asset value. If the average gearing level over the year is higher than 50 per cent, the investment management cost will be higher than 2.340 per cent.
- 11 The quoted investment management costs have been reduced by an investment management cost rebate. For more information on the applicable rebate, see the table below.

## Investment management cost rebates

The quoted investment management costs of the investment options listed in the table below will be reduced by an investment management cost rebate. Where you invest in one of these options, an investment management cost rebate will be calculated based on the average daily balance held in the option and credited to your Cash Account following receipt of the rebate from the investment manager.

Investment option	APIR code	Investment management costs (% pa)	Rebate (% pa)	Investment management costs after rebate (% pa)	Rebate frequency
APN AREIT Fund	APN0008AU	0.85	0.20	0.65	Monthly

Investment management costs are inclusive of the net effect of GST, if applicable (ie inclusive of 10 per cent GST less any RITCs available to the managed fund).

We rely on third party investment managers (or relevant responsible entities) to supply us with the investment management costs pertaining to the funds they manage. IIML believes these figures to be correct and up-to-date as at the time of publication, but we accept no responsibility if any figures published by us (excluding the IOOF MultiMix Trusts and the IOOF Multi Series Balanced Trust) are not the same as those actually charged by an investment manager. We cannot fully verify the accuracy of third party information we receive and can therefore accept no responsibility whatsoever for any errors.

Before selecting an investment option, you should read the current IOOF Pursuit Select PDS and the relevant fact sheet including **IOOF Pursuit fact sheet 1: IOOF Pursuit Select investment strategies** and talk to your financial adviser. For each investment option you select, you should read the relevant product disclosure statement or product guide, provided by your adviser or available from our website ([www.ioof.com.au](http://www.ioof.com.au)). These documents include information about performance, asset allocation, costs and the risks associated with investing in a particular investment option.

The investment managers for the investment options named above (other than IIML) have not been involved in the preparation of the IOOF Pursuit Select PDS nor have they authorised or caused the issue of the PDS.
