- Release and indemnify the Trustee and any member of the Insignia Financial Group from and against all demands, actions, proceedings, claims, losses, liabilities and costs arising directly or indirectly out of or in connection with the Trustee acting or omitting to act on instructions given by your financial adviser and their staff under this authority, except to the extent caused or contributed to by the Trustee's fraud, negligence or wilful default.

Deposit Instruction

The Trustee, IOOF Investment Management Limited (IIML), ABN 53 006 695 021, AFSL 230524 is directed to process the Deposit Instructions specified on this form. The Instructions provided in this form override any previous Instructions.

Investment options with extended redemption periods

If you elect to make an investment in an investment option that is designated as a restricted investment in the IOOF Investment Menu as updated on the IOOF website (also referred to as an 'illiquid investment'), you need to be aware that:

- If you request to rollover or transfer the whole or part of your withdrawal benefit from the fund, the Trustee is not required to transfer the whole of your withdrawal benefit (or a partial amount requested to be transferred) which is invested in a restricted investment within the usual period of 30 days after receiving the request and all information prescribed by superannuation law (including all information that is necessary to process your request); and
- Unless specified otherwise, restricted investments are illiquid because the issuer of the investment has imposed withdrawal restrictions on the investment. By signing and submitting this application form, you consent that you understand and accept that a period longer than 30 days is required (in respect of the whole or part of the requested transfer amount) in which a transfer from a restricted investment must be effected because of the illiquid nature of restricted investments.

Product disclosure statements for managed investment options

The Trustee has made available to you, through the IOOF website, electronic versions of the product disclosure statement(s) (PDSs) for the underlying managed investments which are offered as investment options through this product. You can also obtain copies of the PDS at no additional charge on request by contacting your financial adviser or by calling our ClientFirst service on 1800 913 118.

By signing and submitting this application form, you confirm that you have obtained the PDSs for your selected underlying investment options. The PDS for a managed investment may be updated or replaced by the fund manager, responsible entity or issuer of the managed investment, from time to time. By signing and submitting this application form, you acknowledge that when further investments are made into a managed investment you have selected (including through investment switches or additional contributions), you may not have received

the current PDS for the managed investment at that time and disclosure about certain material changes and significant events that the issuer of the managed investment product would be required to give you (under section 1017B(1) of the *Corporations Act 2001*) if you had made an equivalent direct acquisition of the managed investment.

Investment options and financial advice

It is important that you understand the risks for your selected investment options (see the information about the available categories and the typical investors that they could suit in the Investment Guide). We recommend that you seek advice from a financial adviser before selecting an investment option. Certain investment options are only available for clients of a particular financial adviser or AFS Licensee. These investments will no longer be available to you if you cease to be a client of that financial adviser or AFS Licensee. See the IOOF Investment Menu which indicates which investment options are available to 'advised clients' only and provides details in the footnotes about investment options available only to clients of particular financial advisers or AFS Licensees.

Maturing investments (term deposits or fixed-term annuities)

The Trustee has made available to you, through the IOOF website, electronic versions of the applicable PDS, terms and conditions or product guide (disclosure documents) for each maturing investment offered as an investment option through this product. You can also obtain copies of these documents at no additional charge on request by contacting your financial adviser or by calling our ClientFirst service on 1800 913 118. Where it may take longer than 30 days to redeem a maturing investment, the Trustee is not required to transfer the whole of my withdrawal benefit (or a partial amount requested to be transferred) within 30 days after receiving all information prescribed by Super law (including all information that is necessary to process my request). By signing and submitting this application form, you agree to access the disclosure documents in these ways and confirm that you have received the applicable disclosure documents for any maturing investment you have selected.

Source of wealth and funds

Under AML/CTF legislation, we are required to identify your source of wealth and funds and may request further information or evidence from you.

Document verification

The Trustee may seek to validate any government issued ID you have provided for identity purposes. This may include providing your personal details such as name, date of birth and address and any identification document to an external secure document verification service provider to validate. By signing and submitting the application you provide consent for the Trustee to verify your identity through their preferred external secure document verification service provider Green ID in the event the certified identification you have provided cannot be used to verify your identity. This includes disclosing your name, date of birth, residential address and email address to a credit reporting agency and by confirming the authenticity of my government issued

ID with the relevant government departments. If you have not provided any required identification document, the identification document cannot be verified, or the Trustee is not satisfied the identity requirement has been met, the Trustee may not be able to process your application.

Power of Attorney

If your Application is signed under a Power of Attorney, please enclose a certified copy of the Power of Attorney and the proof of identity documents, as outlined in the 'Completing Proof of Identity' document on ioof.com.au, for both the Applicant and the Attorney, with your Application. If signed under Power of Attorney, the Attorney certifies that no notice of revocation of that Power of Attorney has been received.

PDS and Trust Deed

Before submitting this application, you should read the IOOF Personal Super PDS and contact us if you have any questions. You can also access the Trust Deed which governs the Fund at ioof.com.au or by calling ClientFirst on 1800 913 118. By signing and submitting this application, you confirm that you have obtained a copy of the PDS and apply for an IOOF Personal Super account and to become a member of the Fund. If your application is accepted, our relationship with you will be governed primarily by the Trust Deed and superannuation legislation, and we do not intend by this form to create a contractual relationship with you.

Information you provide

We will rely on the information you give us to process your request. By signing and submitting this application form, you represent that the information you have provided is true and correct. If you do not provide us with all of the requested information or if information provided is incorrect, we may not be able to comply with your request. If any of the information you have provided changes, you should inform the Trustee as soon as possible.

Your instructions to us

We are not required to ask whether instructions are genuine or proper. You agree to release us from, and indemnify us against, any and all

losses and liabilities arising from any payment or action we make based on any written instruction (even if not genuine) we receive bearing your account number and a signature we reasonably believe is yours or that of your representative. You also agree neither you, nor anyone claiming through you, has any claim against us or the Fund in relation to these payments or actions. Your release and indemnity does not apply where the loss or liability has been caused or contributed to by our fraud, negligence or wilful default.

We do not accept any liability whatsoever for an instruction not being implemented in these circumstances.

Family Member – IOOF Personal Super account

I understand that the fees on my account may change in the following events:

- Any agreed member advice fee(s) will be charged to my account and paid in full to the financial adviser, or their Licensee, until I instruct the Trustee to cease payment or when I change my nominated financial adviser
- Where I have chosen Ongoing fees, I understand the consent for IIML to pay the ongoing fees to my adviser will cease on the consent end date, which is 150 days after the next anniversary date for my ongoing fee arrangement.
