Investment instructions

- IOOF Employer Super
- IOOF Personal Super
- IOOF Pension

Please complete these instructions in BLACK INK using CAPITAL LETTERS (except for your email address) and ✓ boxes where provided.

Use this form to

- switch between being a MySuper member and a Choice member (alternatively, use the MySuper opt-out feature in IOOF Online or the IOOF mobile app)
- switch between existing investment options or re-weight your investment portfolio
- change your Standing Instructions, or
- set an Automatic reweight instruction to your portfolio.

Please note that when changing investment options you will not necessarily have the most recent product disclosure statement for that investment option and accordingly may not have information about material changes and significant events affecting that investment option. You can obtain a product disclosure statement from **www.ioof.com.au** or your licensed financial adviser.

To ensure the investment option selections are listed correctly please add the APIR code along with the name of the investment option. Please refer to the IOOF investment menu list for available APIR codes.

Fixed Term Annuities cannot be purchased using this form and can be purchased online or by contacting ClientFirst on 1800 113 918.

Any investment redemptions will be actioned per your existing tax optimisation method. To view and update your chosen method, please speak to your financial adviser or log in to IOOF Online or the IOOF mobile app.

Step 8: Cash Account preferences (Choice members only)

If you don't indicate a top-up method, the default option of pro-rata will be applied.

If you are a MySuper member, we will top up your Cash Account from the MySuper default investment option. You do not have a 1% minimum cash requirement.

Cash Account limits
You must maintain a minimum percentage allocation to the Cash Account.
Please specify one of the following options:
Cash Account default minimum of 1% (default option) OR
Cash Account percentage nominated in your Deposit Instruction OR
Custom Cash Account minimum of %
Cash Account dollar-based minimum (optional)
You may also nominate a dollar-based minimum on the amount held in your Cash Account (subject to a \$5,000 minimum) that will be used in conjunction with your percentage-based minimum stated above.
If your Cash Account falls below zero, we will then top-up your Cash Account to the lower of your dollar-based minimum or percentage-based minimum.
To set a Cash Account dollar-based minimum, please specify the amount here: \$
Cash Account top-up
If the balance in your Cash Account is zero or below, the Trustee will top up the balance to the lower of:
your selected Cash Account limit; or
• the Cash Account cap
dollar-based minimum.
We will top up your Cash Account balance by redeeming the necessary amount from your eligible investments (without prior notice to you) in accordance with the method you have selected below:
Pro-rata (default option) – Redeem funds across all managed investments according to the proportion of the portfolio that they represent.
OR
Redemption instruction – percentage – Redeem funds from specified managed investments according to the percentage allocation nominated below.
OR
Pecking Order – Redeem funds from managed investments and listed investments according to a prioritised list specified below.

Redemption instructions - percentage and pecking order

Please note:

- If you select the pecking order option, please specify which investments are to be used and the pecking order in which the funds are to be redeemed, one at a time.
- If you select to have a percentage redemption instruction, the percentages allocated for your selected investment option(s) must add up to 100% not including the Cash Account.
- To ensure the investment option selections are listed correctly, please add the APIR/ASX code along with the name of the investment option.
- Restricted investments, investment options with extended redemption periods, capital guaranteed income/pension investment options and annuity funds and term deposits (maturing investments) cannot form part of your redemption instruction percentage.
