TFN Notification – Important Information

What if IOOF does not hold your TFN?

If we do not hold your TFN, by law we will be unable to accept contributions from you. This includes all spouse contributions and personal contributions (as all personal contributions are treated as not deductible until you notify the trustee to change their status to deductible). If you make personal or spouse contributions and have inadvertently not provided the trustee with your TFN, the contributions will not be credited to your account and must be refunded to you within 30 days (less any permissible deductions) unless you provide your TFN in the meantime.

What will IOOF use your TFN for?

Under superannuation law, IOOF as trustee is required to ask you for your TFN. If you provide your TFN to us, we will only use it for legal purposes such as providing it to the ATO for the purpose of calculating any excess contributions tax, providing it to another superannuation provider if your account balance is rolled over (unless you ask us not to), identifying your superannuation benefits where other information is insufficient or calculating tax on benefit payments you may be entitled to. It may also be difficult to find your superannuation benefits if you change address without notifying your fund or to amalgamate any multiple superannuation accounts. These purposes may change in future.

What if you do not want to provide your TFN?

It is not an offence if you do not provide your TFN to us, but the tax consequences of not doing so include that you will pay more tax on your super and we will be unable to accept contributions from you.

For more information, please contact us or the ATO Superannuation Helpline on 13 10 20.
