Step 3: Changing your Primary instruction

I direct the Trustee to change my Primary Instruction (my main Investment Instruction) in accordance with:

the instructions provided in the Primary Instruction column in the table in Step 2 (a).

OR

the instructions provided in the Re-weight column in the table in Step 2 (c)

Step 4: Switch Instruction

Please indicate which investment option(s) you wish to redeem units in and which investment option(s) you wish to purchase units in.

¹ Please ensure that the total amount is equal to 100%.

Please note: switch requests cannot be finalised until proceeds from all redeemed investment options have been deposited into your Cash Account. You may incur a buy/sell spread or capital gains tax when switching between investment options.

Step 5: Income distributions

I direct the Trustee to manage any income distributions that I receive from my investment option(s) as follows:

Re-invest (default option)

Re-invest 100% of the income distributions back into the same managed investment that made the income distribution. This is the default option, which means it will apply automatically even if a selection is not made.

OR

Retain in Cash Account

Leave all income distributions to accumulate in my Cash Account.

Step 6: Cash Account top-up

If the balance in your Cash Account is likely to fall below zero in the next seven days, you authorise the Trustee to top up the balance to the minimum Cash Account requirement of:

- 1% of your account balance for IOOF Pursuit Core Personal Superannuation
- 3% of your account balance for IOOF Pursuit Core Allocated Pension and IOOF Pursuit Core Term Allocated Pension.

PLUS amounts expected to fall due within the next seven days.

If you would like to set a higher minimum Cash Account requirement, please specify the percentage amount here: %

We will 'top up' your Cash Account balance by redeeming the necessary amount from your managed investments (without prior notice to you) with the highest balance.

Step 7: Term deposit details

Bendigo and Adelaide Bank

OR

National Australia Bank

Please select the timeframe of the term deposit to be opened:

Step 8: Member/Applicant declaration and signature

In signing this Investment Instructions form, I declare that:

Investment Instructions²

- The Trustee, IOOF Investment Management Limited (IIML), ABN 53 006 695 021, AFS Licence No. 230524 is directed to process the Investment Instructions specified on this form.
- The Investment Instructions provided in this form override any previous Investment Instructions.
- My main Investment Instruction will be my Primary Instruction and will be used for my initial contribution and all additional contributions (less any Member Advice Fee – Upfront) and income distributions (if applicable), unless I provide the Trustee with alternate instructions. I understand that this does not apply to the transfer of investments from any existing account within the IOOF Pursuit or IOOF Portfolio Service product suite.
- If I have omitted to insert an amount against the Cash Account in my Investment Instruction, I authorise the Trustee to deduct the amount necessary from the investment option with the highest percentage allocation to satisfy the required minimum allocation to the Cash Account.
- If there are two or more investment options that share the highest percentage allocation, I authorise the Trustee to deduct the amount necessary from the first of such investment options that share the highest percentage allocation and that is listed in the table to satisfy the default minimum allocation to the Cash Account.

Restricted investments

- I acknowledge that if I make an investment in an investment option that is designated as a restricted investment (in the investment menu as updated on the IOOF website), I have been informed that:
 - the Trustee is not required to transfer the whole of my withdrawal benefit (or a partial amount requested to be transferred) within 30 days after receiving all information prescribed by Super law (including all information that is necessary to process my request)
 - the reasons why an investment is illiquid is due to the underlying fund manager imposing withdrawal restrictions or having the ability to extend the withdrawal period in certain market conditions
 - the maximum period in which a transfer must be effected is the period set out in the underlying product disclosure statement for the restricted investment which may be up to 365 days for some restricted investments.
- I understand and accept that a period longer than the 30 days mentioned above is required (possibly in respect of the whole of the requested transfer amount) because of the illiquid nature of the investment.

Product disclosure statement for managed investment options

- I have received (either from the IOOF website or from a financial adviser), read and understood the current product disclosure statement(s) of the underlying managed investments I have selected.
- The Trustee provided me with the product disclosure statement(s) for the underlying managed investments I have selected via the IOOF website and I agree to receive these product disclosure statement(s) by obtaining them from the website.
- I may not have the most current product disclosure statement and continuous disclosure information for a managed investment when switches and/or further investments are made into the Fund.

Investment options

- If I have acquired the services of a licensed financial adviser concerning my choice of investment options, I have been fully informed of the nature and risks of the selected investment options and am satisfied these investments are suitable for my investment needs.
- If I choose not to acquire the services of a financial adviser, I understand the risks and effects of this investment and take full responsibility for my choice of investment options.
- I acknowledge that certain investment options are only available if I am a client of a particular financial adviser or AFS Licensee, and if I cease to be a client of that financial adviser or AFS Licensee, I will not be able to make any new investments into those exclusive investment options.

Switch Instruction

- If I have given the Trustee a switch instruction, it:
 - must satisfy the minimum requirements as set out in the relevant PDS
 - cannot be finalised until proceeds from all redeemed investment options have been deposited into my Cash Account
 - will normally be finalised within 10 business days following the receipt of my switch request
 - may give rise to a buy/sell spread or capital gains tax.

Term deposits

If I have invested in term deposits:

- I have read, understood and agree to the terms and conditions regarding investing in term deposits as set out in the PDS
- the Trustee provided me with the product guide for the underlying term deposit I have selected via the IOOF website and I agree to receive the product guide by obtaining it from the website
- I have received (either from the IOOF website or from a financial adviser), read and understood the current product guide and any supplementary product guide for the relevant product or service, and the current product guide statements of the underlying term deposit I have selected
- I acknowledge that where this Investment Instruction for a term deposit is made at the same time as a new application for an IOOF product or service, this Investment Instruction will be processed before any other Investment Instruction relating to my new account is processed.
