#### Notes to the trust profile

- 1 The total estimated ongoing annual fees and costs includes the management fee, indirect costs, net transaction costs and any performance fees (shown if applicable). These costs are subject to change from time to time and may vary depending on changes to the composition of the underlying assets, changes in exposure to underlying investment managers and where any unusual or non-recurrent expenses are incurred. Please refer to the latest PDS and [www.ioof.com.au](http://www.ioof.com.au) for full details on fees and costs.
- 2 Performance is net of management costs and expenses. Performance is based on exit price to exit price for the period and assumes that all distributions are reinvested. Management costs and other expenses are accounted for in the exit price. Past performance is not a reliable indicator of future performance. Please refer to [www.ioof.com.au](http://www.ioof.com.au) for updated performance information. Performance data is provided by FE fundinfo (FE fundinfo (Australia) Pty Limited, ABN 18 601 868 311).
