If you are a MySuper member you are unable to select the Member Advice Fee – Upfront in Step 8.

Choose your fee option. Fees should be provided including GST. Where the default fee is not selected, all boxes for the relevant fee option must be completed. Blank boxes will default to nil.

- The default value for each member advice fee is 0% or \$0, unless you agree and specify otherwise below in conjunction with your financial adviser.
- Member advice fees can only be deducted from your super/pension account if they relate to advice you receive about your super/ pension benefits, insurance and investments.
- Where you agree to a member advice fee, please ensure you sign the 'Member advice fees' declaration in this section .
- The member advice fee(s) paid to your financial adviser and their Licensee (and quoted in this section) are inclusive of GST.
- The actual amount deducted from your account may be less than the amount quoted. This is because the Fund may be able to claim a reduced input tax credit (RITC) on some of these fees. Where the Fund is able to claim an RITC, the benefit is passed on to you which effectively reduces the fee. Note that the RITC rules are subject to change and this may impact the RITC available in the future.

For IOOF Employer Super, if a member advice fee is selected, no other commissions or Adviser Service fee will apply.
