Step 2: Fees for financial advice

If you're a MySuper member, you're unable to add Member Advice Fees on this form.

To add a One off advice fee, please complete the Member Advice Fees - One Off form. Alternatively, you can opt out of MySuper at any time by completing the Switching Instructions form or by logging into your account. View both forms at www.ioof.com.au/forms.

Choose your fee option. Fees should be provided including GST.

If a member advice fee is selected, no other commissions or Adviser Service fee will apply.

- The default value for each member advice fee is 0% or \$0, unless you agree and specify otherwise below in conjunction with your financial adviser.
- Member advice fees can only be deducted from your super account if they relate to advice you receive about your super or pension benefits, insurance and investments.
- The member advice fee(s) paid to your financial adviser and their Licensee (and quoted in this section) are inclusive of GST. The actual amount deducted from your account may be less than the amount quoted. This is because the Fund may be able to claim a reduced input tax credit (RITC) on some of these fees. Where the Fund is able to claim an RITC the benefit is passed on to you which effectively reduces the fee. Note that the RITC rules are subject to change and this may impact the RITC available in the future.
