Cash Account limits

You must maintain a minimum percentage allocation to the Cash Account.

Please specify one of the following options:

Cash Account default minimum of 1%

OR

Cash Account percentage nominated in your Deposit Instruction

Cash Account dollar-based minimum (optional)

You may also nominate a dollar-based minimum on the amount held in your Cash Account (subject to a \$5,000 minimum) that will be used in conjunction with your percentage-based minimum stated on the previous page.

If your Cash Account falls below zero, we will then top-up your Cash Account to the lower of your dollar-based minimum or percentage-based minimum.

If the balance in your Cash Account is zero or below, the Trustee will top up the balance to the lower of:

- the Cash Account dollar-based minimum.

We will top up your Cash Account balance by redeeming the necessary amount from your managed investments (without prior notice to you) in accordance with the method you have selected below:

Pro-rata (default option) – Redeem funds across all managed investments according to the proportion of the portfolio that they represent.

OR

Redemption instruction – percentage – Redeem funds from specified managed investments according to the percentage allocation nominated below.

OR

Pecking Order – Redeem funds from my managed investment(s) according to a prioritised list specified below.

If you don't indicate a top-up method, the default pro-rata option will be applied.

Any asset sales associated with your Cash Account preferences will be actioned in accordance with your existing tax optimisation method. To view and update your chosen method, please speak to your financial adviser or log in to IOOF Online or the IOOF mobile app.

Redemption instruction – percentage and pecking order

Please note:

- Restricted investments, investment options with extended redemption periods, capital guaranteed income/pension investment options and annuity funds and term deposits (maturing investments) cannot form part of your redemption instruction – percentage.

A completed ATO Notice of Intent to Claim a Tax Deduction notice must be submitted and be processed prior to the transfer to your pension account. Once your pension has commenced, your notice cannot be varied and you cannot receive a refund of taxes paid even if the ATO disallow your deduction.

Section D: Transferring from an existing pension product in the Fund

Your current pension will automatically continue in your new Expand Extra Pension account. All pension payment details will **automatically** transfer unless you select to commence a new pension below, make any changes to those details on this application or the changes are required by law.

I wish to commute my pension and commence a new pension

Please note: A new pension is required if you are:

Step 13: Fees for financial advice

Choose your fee option. Fees should be provided including GST. Blank boxes will default to nil.

- IOOF Investment Management Limited (IIML), as trustee of your super fund, is required to obtain specific written consent on an annual basis before a fee for financial advice can be deducted from your account. You are not under any obligation to consent to the fee being deducted.
- You may revoke your consent at any time by contacting IIML via the options at the end of this form. Once your consent is revoked, no further fees will be deducted from your account however any amounts paid before you revoke your consent will not be automatically refunded.
- On termination of a fee arrangement, accrued but undeducted Advice Fees may be deducted after the termination date. Where advice fees are deducted monthly they are deducted monthly in arrears.
- The default value for each advice fee is 0% or \$0, unless you agree and specify otherwise below in conjunction with your financial adviser.
- Advice fees can only be deducted from your super/ pension account if they relate to advice you receive about your super or pension benefits, insurance and investments.
- Advice fee(s) paid to your financial adviser and their Licensee (and quoted in this section) are inclusive of GST.
- The actual amount deducted from your account may be less than the amount quoted. This is because the Fund may be able to claim a reduced input tax credit (RITC) on some of these fees. Where the Fund is able to claim an RITC the benefit is passed on to you which effectively reduces the fee. Note that the RITC rules are subject to change and this may impact the RITC available in the future.
- For further information on advice fees, please refer to the Product Disclosure Statement.

Which fee type would you like to establish?

- Member Advice Fee – One-Off (please complete Section A)
- Member Advice Fee – Ongoing (please complete section B)

To meet these requirements you must provide either a certified copy of A or B as below:

Refer to the 'Completing Proof of Identity' document on www.ioof.com.au for more guidance on acceptable forms of individual identification.

Step 16: Member/Applicant declaration

Proof of identity

It is important that you provide the appropriate documents and details of your identity as outlined in the 'Completing Proof of Identity' document on ioof.com.au. This information may be required for the purposes of the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF Law). The Trustee will require you to provide a certified copy of your identification.

Privacy

Information (including your personal information) provided to the Trustee is used for the purpose of opening a pension account and for other related purposes. For the purpose of providing you with the product or service you have requested, the Trustee may disclose your personal information to its related bodies corporate, your employer, your financial adviser, insurers, professional advisers, businesses that have referred you to the Trustee, banks and other financial institutions, or to provide you with information about other products or services that may be of interest to you. The Trustee is required to collect your personal information under the Superannuation Industry (Supervision) Act 1993 and the AML/CTF Law. If you do not provide all of the requested information, the Trustee may not be able to action your request. To verify your identity for Know Your Customer (KYC) purposes, the Trustee may also solicit personal information about you from reliable identity verification service providers.

Your personal information will be handled in accordance with the Trustee's privacy policy. The privacy policy contains information about how you may access or correct your personal information held by the Trustee and how you may complain about a breach of the Australian Privacy Principles. You may request a copy of the Trustee's privacy policy by contacting ClientFirst on 1800 913 118 or at ioof.com.au/privacy. By signing and submitting this application form, you acknowledge that the personal information you have provided will be collected, used and disclosed by the Trustee for the purposes specified in the PDS and the privacy policy.

Electronic communications

When a communication is available for you to access online, the Trustee will send a notification to your preferred email address. You will need to let the Trustee know your preferred email address when registering to join IOOF Online and then tell the Trustee your new email address if it changes. You can also elect to receive paper copies of communications via IOOF Online.

Transferring from another product within the Fund

If you are transferring from another product within the Fund, then do so on the terms and conditions outlined in the PDS.

Financial adviser (if applicable)

If details of your financial adviser have been included in this application form (or an adviser appointed at a later date), by signing and submitting this form, you:

- Request the Trustee to acquire the services of the financial adviser to advise you about your superannuation or pension benefits and to act on your behalf in relation to this account.
- Authorise your adviser and their staff to act as your agent to operate your account, to give any instructions on your behalf in relation to your account to the Trustee by any methods as set out in the PDS and to request and authorise payment of a withdrawal benefit to your nominated bank account.
- Instruct the Trustee to follow your adviser's instructions until the Trustee receives notice that you have cancelled your adviser's authority.
- Release and indemnify the Trustee and any member of the Insignia Financial Group from and against all demands, actions, proceedings, claims, losses, liabilities and costs arising directly or indirectly out of or in connection with the Trustee acting or omitting to act on instructions given by your financial adviser and their staff under this authority, except to the extent caused or contributed to by the Trustee's fraud, negligence or wilful default.

Deposit Instruction

The Trustee, IOOF Investment Management Limited (IIML), ABN 53 006 695 021, AFSL 230524 is directed to process the Deposit Instructions specified on this form. The Instructions provided in this form override any previous Instructions.

Investment options with extended redemption periods

If you elect to make an investment in an investment option that is designated as a restricted investment in the IOOF Investment Menu as updated on the IOOF website (also referred to as an 'illiquid investment'), you need to be aware that:

- If you request to rollover or transfer the whole or part of your withdrawal benefit from the fund, the trustee is not required to transfer the whole of your withdrawal benefit (or a partial amount requested to be transferred) which is invested in a restricted investment within the usual period of 30 days after receiving the request and all information prescribed by superannuation law (including all information that is necessary to process your request); and
- Unless specified otherwise, restricted investments are illiquid because the issuer of the investment has imposed withdrawal restrictions on the investment. By signing and submitting this application form, you consent that you understand and accept that a period longer than 30 days is required (in respect of the whole or part of the requested transfer amount) in which a transfer from a restricted investment must be effected because of the illiquid nature of restricted investments.

Product disclosure statements for managed investment options

The Trustee has made available to you, through the IOOF website, electronic versions of the product disclosure statement(s) (PDSs) for the underlying managed investments which are offered as investment options through this product. You can also obtain copies of the PDS at no additional charge on request by contacting your financial adviser or by calling our ClientFirst service on 1800 913 118. By signing and submitting this application form, you confirm that you have obtained the PDSs for your selected underlying investment options. The PDS for a managed

investment may be updated or replaced by the fund manager, responsible entity or issuer of the managed investment, from time to time. By signing and submitting this application form, you acknowledge that when further investments are made into a managed investment you have selected (including through investment switches or additional contributions), you may not have received the current PDS for the managed investment at that time and disclosure about certain material changes and significant events that the issuer of the managed investment product would be required to give you (under section 1017B(1) of the Corporations Act 2001) if you had made an equivalent direct acquisition of the managed investment.

Investment options and financial advice

It is important that you understand the risks for your selected investment options (see the information about the available categories and the typical investors that they could suit in the IOOF Investment Guide). We recommend that you seek advice from a financial adviser before selecting an investment option. Certain investment options are only available for clients of a particular financial adviser or AFS Licensee. These investments will no longer be available to you if you cease to be a client of that financial adviser or AFS Licensee. See the IOOF Investment Menu which indicates which investment options are available to 'advised clients' only and provides details in the footnotes about investment options available only to clients of particular financial advisers or AFS Licensees.

Maturing Investments (term deposits or fixed-term annuities)

The Trustee has made available to you, through the IOOF website, electronic versions of the applicable PDS, terms and conditions or product guide (disclosure documents) for each maturing investment offered as an investment option through this product. You can also obtain copies of these documents at no additional charge on request by contacting your financial adviser or by calling our ClientFirst service on 1800 913 118. Where it may take longer than 30 days to redeem a maturing investment, the Trustee is not required to transfer the whole of my withdrawal benefit (or a partial amount requested to be transferred) within 30 days after receiving all information prescribed by Super law (including all information that is necessary to process my request). By signing and submitting this application form, you agree to access the disclosure documents in these ways and confirm that you have received the applicable disclosure documents for any maturing investment you have selected.

Source of wealth and funds

Under AML/CTF legislation, we are required to identify your source of wealth and funds and may request further information or evidence from you.

Document verification

The Trustee may seek to validate any government issued ID you have provided for identity purposes. This may include providing your personal details such as name, date of birth and address and any identification document to an external secure document verification service provider to validate. By signing and submitting the application you provide consent for the Trustee to verify your identity through their preferred external secure document

verification service provider Green ID in the event the certified identification you have provided cannot be used to verify your identity. This includes disclosing your name, date of birth, residential address and email address to a credit reporting agency and by confirming the authenticity of my government issued ID with the relevant government departments. If you have not provided the required identification document, the identification document cannot be verified, or the Trustee is not satisfied the identity requirement has been met, the Trustee may not be able to process your application.

Power of Attorney

If your Application is signed under a Power of Attorney, please enclose a certified copy of the Power of Attorney and the proof of identity documents, as outlined in the 'Completing Proof of Identity' document on ioof.com.au, for both the Applicant and the Attorney with your Application form. If signed under Power of Attorney, the Attorney certifies that no notice of revocation of that Power of Attorney has been received.

PDS and Trust Deed

Before submitting this application, you should read the IOOF Super and Pension PDS and contact us if you have any questions. You can also access the Trust Deed which governs the Fund at ioof.com.au or by calling ClientFirst on 1800 913 118. By signing and submitting this application, you confirm that you have obtained a copy of the PDS and apply for an IOOF Pension account and to become a member of the Fund. If your application is accepted, our relationship with you will be governed primarily by the Trust Deed and superannuation legislation, and we do not intend by this form to create a contractual relationship with you.

Information you provide

We will rely on the information you give us to process your request. By signing and submitting this application form, you represent that the information you have provided is true and correct. If you do not provide us with all of the requested information or if information provided is incorrect, we may not be able to comply with your request. If any of the information you have provided changes, you should inform the Trustee as soon as possible.

Your instructions to us

We are not required to ask whether instructions are genuine or proper. You agree to release us from, and indemnify us against, any and all losses and liabilities arising from any payment or action we make based on any written instruction (even if not genuine) we receive bearing your account number and a signature we reasonably believe is yours or that of your representative. You also agree neither you, nor anyone claiming through you, has any claim against us or the Fund in relation to these payments or actions. Your release and indemnity does not apply where the loss or liability has been caused or contributed to by our fraud, negligence or wilful default.

We do not accept any liability whatsoever for an instruction not being implemented in these circumstances.

Target Market confirmation (mandatory)

I have reviewed and understand the Target Market Determination for IOOF Pension and any relevant investment(s) selected and confirm that IOOF Pension and any investment(s) selected meets my objectives, financial situation and needs.

Please note: if your investment objective(s), timeframe and/or risk profile are inconsistent with those of IOOF Pension or the investment(s) you have selected, then we suggest you seek financial advice that takes into account your personal circumstances.

AML/CTF legislation confirmation where I do not have a financial adviser

I confirm that I have provided the relevant applicant proof of identification in line with the obligations under the AML/CTF legislation and I have attached original certified copies of my identification document(s) with this Application.

Where relevant I have also attached:

- An Overseas Investor form if I am not residing in Australia.
