Foreign Residents (including US residents or citizens) investor reporting requirements

The United States' (US) Financial Account Tax Compliance Act (**FATCA**) and Common Reporting Standard (**CRS**) are regimes legislated in a number of countries (including Australia) which require financial institutions, including IOOF, to identify and report information relating to investors who are a resident of any foreign jurisdiction (or a US resident or citizen) for tax purposes. This information is required to be reported to the relevant tax authority within Australia and internationally.

We are required by this law to ask all investors to provide additional identification and tax information in the appropriate part of the application form.

Step 3: Initial investment details

- Please indicate the amount you would like to invest. The minimum initial investment amount for each Trust is \$25,000.
- Your investment may be made by cheque or transfer from an existing IOOF investment or a combination of both options. Cash cannot be accepted. Also ensure that you tick the appropriate box to indicate how you would like your distributions to be paid. Either:

Option A: Reinvested as additional units.

Option B: Deposited into your nominated Australian financial institution account.

If you choose Option B, you need to provide us with details of your Australian financial institution account.

If you do not nominate Option A or Option B, this will be taken as a direction to reinvest distributions as additional units in the Trust from which the income was derived (ie Option A)

Additional investments via **BPAY**[®]

- If you are an existing investor in a Trust, you may make an additional investment into that Trust using **BPAY**.

Please note you cannot use the **BPAY** facility to make your initial investment.

- If you wish to invest in a Trust in which you are not currently a unit holder, you will need to complete a new application form and send it to us, together with your cheque for the investment amount.
- To make additional investments using **BPAY** once your account has been established, you will need to have:
 - the Biller Code of the Trust (for further details, please see table below) and
 - your Customer Reference Number (CRN).

If you would like a CRN, please tick 'Yes' where required, in the application form or additional investment instruction form. If you already have a CRN, you do not need to complete an application form or an additional investment instruction form or provide us with any information to make an additional investment using **BPAY**. For further details on obtaining a CRN, see page 19.

Please contact your Australian financial institution to arrange **BPAY** through telephone or internet banking. Please note that **BPAY** is not available from all financial institutions.

Trust Name	BPAY Biller Code
IOOF MultiSeries 30	959510
IOOF MultiSeries 50	959528
IOOF MultiSeries 70	959957
IOOF MultiSeries 90	959536

Step 4: Tax File Number or Australian Business Number notification or exemption

- If you would like us not to deduct tax at the highest marginal tax rate plus Medicare Levy from your income distribution, please provide us with your Tax File Number (TFN), Australian Business Number (ABN) or exemption information.
- An investor who is not an Australian resident, or who otherwise seeks to claim an exemption for tax purposes, may not need to provide a TFN or ABN to prevent us from withholding tax at the highest marginal tax plus Medicare Levy. We recommend you see an accountant or financial adviser for further information. If you seek to claim an exemption on this basis, please provide us with information concerning why you are entitled to claim an exemption.

Please note, under AML/CTF Law, disclosure of an ABN is required for those individual investors investing as sole traders. If applicable, please provide this information under **Step 2 – PART A**, the section headed "For Sole Traders Only".

Step 5: Proof of identity requirements

In accordance with AML/CTF Law, new investors applying for financial products, such as IOOF MultiSeries, are required to supply proof of identity documentation to verify the applicant.

- Step 5 lists the types of proof of identity documents which can be provided **for individual investor applicants** and persons who have been nominated as a Representative or Power of Attorney.
- For **non – individual investor applicants** (such as companies, trusts and partnerships) investors will need to refer to the separate 'Completing Proof of Identity' document. A copy of this document can be obtained from our website at www.ioof.com.au or by contacting our client services team on 1800 002 217.

Step 6: Financial adviser details

- If you have appointed a financial adviser, your financial adviser needs to complete this section.
- Please note, if your financial adviser has already conducted the proof of identity check, the financial adviser must confirm having sighted and retained the necessary information on record by completing the 'Record of Proof of Identification' table in this Step, or attach a copy of the identification document to the Application Form. This table is only applicable for 'individual/sole trader' investors.

Step 7: Representative facility (optional)

- If you wish to authorise another person to operate your account on your behalf, you need to complete this section.
- Please ensure you and your representative have read and understood the conditions relating to nomination of a representative outlined in the PDS, before completing this section.
- Both the investor(s) and the representative need to sign this section.
- Note, nominated representatives must provide proof of identification documents, as detailed in Step 5.

Step 8: Applicant declaration

- Please read the PDS in its entirety and then sign the applicant declaration section of the application form.
- We will not accept an application unless the correct signatory/signatories has/have signed this section (see Step 2).
- Please ensure that you also provide the necessary proof of identity documentation with your application form.
- If your application form is signed by your attorney, a certified copy of the relevant Power of Attorney, together with the necessary proof of identity documents for the Power of Attorney (as detailed in Step 5), must be enclosed with your application form.
- If joint investors are applying, all investors must sign.

For example, if Robert Brown proposes to invest, the relevant cheque will be made payable as follows:
