- The default value for each member advice fee is 0% or \$0, unless you agree and specify otherwise below in conjunction with your financial adviser.
- Member advice fees can only be deducted from your super account if they relate to advice you receive about your super or pension benefits, insurance and investments.
- The member advice fee(s) paid to your financial adviser and their Licensee (and quoted in this section) are inclusive of GST. The actual amount deducted from your account may be less than the amount quoted. This is because the Fund may be able to claim a reduced input tax credit (RITC) on some of these fees.
